

SAVE ALOHA PRAYER ALERT

- Aloha Airlines on the verge of liquidation this morning.
- Monday (tomorrow) expected to be last day of operations.
- 3,500 families directly affected.
- Hundreds of other local businesses and vendors, also directly impacted.
- Possible hundreds of foreclosures and personal bankruptcies.
- Fragmentation and separation of thousands of families in Hawaii as airline employees find other jobs on the mainland or internationally.
- Pray for the spouses and children of the employees. Especially pray for families where **BOTH** husband and wife are employed by Aloha.
- Pray for a miracle tomorrow in the Bankruptcy Court of Honolulu that would SAVE ALOHA and allow the Aloha Airlines families to remain intact.

Bankruptcy Court hearing is planned for March 31 (Monday) at 1:00 p.m.

A rally of Aloha Airlines employees is planned at the Bankruptcy Court hearing tomorrow at 1:00 PM

We pray for God to be glorified through all of this.
